

A false shepherd

scatters the flock.

All of America's bishops openly express concern that only 12% of Catholics faithfully attend Mass on Sunday.

But most refuse to see the connection that not even 12% of American bishops enforce Canon 915, by denying Holy Communion to Catholic public figures who openly support abortion:

“Those... obstinately persevering in grave and manifest sin are not to be admitted to holy communion.”

Where are the true shepherds? The apostles of Christ? The bishops faithful to all the teaching of the Church?

If America's bishops turn their desire to finding those answers, they'll find their flock returning to them.

For the desire of every sheep is to follow the true shepherd.
